Dear Mr. Chauser,

As a skilled PHP Web Developer, I read your posting for a new PHP Web Developer with interest. My experience aligns well with the qualifications you are seeking at Collaborative Systems, in particular my role as a PHP Web Developer at Elite Systems, and I am certain I would make a valuable addition to your organization.

With more than 18 months experience as a PHP Web Developer, I am adept in intern at Citrius Solutions Pvt. Ltd., web application development, and mobile application creation. Moreover, while my on-the-job experience has afforded me a well-rounded skill set, including first-rate critical and analytical thinking skills, I excel at:

- SOA development
- Technical writing and reading
- Social media integration
- W3C Mobile Web Best Practices

In addition to my experience and personal qualities, I have a solid educational foundation and a passion for website design. I am extremely enthusiastic about Collaborative Systems' focus on the gaming industry and would welcome the opportunity to contribute to your contribute to your mobile application successes.

Please review my attached resume for additional details regarding my expertise and abilities. I will follow up to request an appointment to discuss how my experience and background meets your needs.

Thank you for your time and consideration.

Sincerely,  
AVINASH BARFA
